COMMITTEE SPOTLIGHT!

Meet Sports Committee...

What is the role of Sports Committee?

The role of sports committee at DLC is to organise and oversee all the colleges social sport competitions such as netball, soccer, basketball, volleyball and touch footy. We also have many other sporting events throughout the year such as intra-college and inter-college gala days against the other MQU colleges.

What made you want to be a committee head at DLC?

The reason we wanted to become a committee head at DLC was because in our first year we had such a positive experience participating in all the sporting events, specifically social soccer and the touch footy gala day. We wanted to take up the opportunity to be part of the team that keeps the sport at DLC flowing and developing.

Highlight from being Sports Committee this year?

The highlight this year from being sport committee was the inter-college pool party. We had a day out at the uni pool with the other MQU colleges. There was an inflatable, volleyball, races and pizza. It was a great event to start off the year and mix with the other colleges.

What do you guys have in store for the rest of the year?

This semester social sport is going to be bigger than ever, we have a record amount of teams in the MQ social sport competitions with 11 of the teams across all competitions being DLC. We also have multiple inter-college events coming up such as soccer, netball and volleyball.
